

Dear Parents,

We are excited that your student is interested in participating in the New Mexico Alliance for School-Based Health Care’s (NMASBHC) Youth Health Advisory Group. NMASBHC represents school-based health centers (SBHCs) in New Mexico and collaborates with other partners to promote, facilitate and advocate for comprehensive, culturally competent health care, including health education, in schools.

The Youth Health Advisory Group supports youth to advance health care access for their peers, share expertise on health-related topics and give important youth voice to the field of school-based health care. Participants will engage in activities and projects that can provide critical input to the development and delivery of services, and advocate for SBHC services across the state.

- Participation in the program is **completely voluntary**.
- Participation in the group will involve attending two (2) meetings per month (in-person and/or virtually through Zoom), awareness events and/or community engagement events.
- Youth will have an opportunity to receive gift cards for participation.
- Participation of youth under the age of 18 requires a Parent or Legal Guardian review and consent to participate.
- NMASBHC requests a one-year commitment from selected students, with the opportunity to reapply in future years.
