

Take What You Need

for you

or a friend

1

Stop By

Visit our "Take What You Need" station in the SBHC! It's a safe, welcoming place where you can grab what you need. No questions asked.

2

Grab What Helps You

Need a snack, school supply, or hygiene item? Take what you need for yourself or a friend. Everything here is free!

3

See Something Missing?

Tell our SBHC staff if there is something you need that we don't have. We have a wish list so others can help keep the drawers full.

4

Spread the Word

Let your friends know they're welcome too. This space is for everyone, because we all need a little help sometimes.
